THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 2005-162-T - ORDER NO. 2005-356  
JULY 1, 2005

IN RE:	Petition of the Office of Regulatory Staff to	)	ORDER
	Revoke Certificates of Public Convenience	)	SCHEDULING HEARING
	and Necessity of Certain Motor Carriers for	)	
	Failure to Maintain and File Evidence of	)	
	Insurance	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Petition of the Office of Regulatory Staff (ORS) to revoke Certificates of Public Convenience and Necessity of certain motor carriers for failure to maintain and file evidence of insurance. ORS's Petition was filed with the Commission on May 24, 2005. As set forth in S.C. Code Ann. §58-23-10, et seq. (Supp. 2004), the Commission is responsible for the regulation of motor vehicle carriers operating for compensation and pursuant to S.C. Code Ann. §58-4-10, et seq., as enacted by 2004 S.C. Acts 175, the ORS is charged with the duty to protect the public interest.

S.C. Code Ann. §58-23-910 requires motor carrier applicants to procure and file proper insurance and that the insurance must be kept in full force and effect. ORS, by its Petition, advises the Commission that certain companies certificated by the Commission to provide motor carrier services have failed to file proof of insurance as required. The ORS developed a list of the motor carriers operating in violation of the Commission's Rules and Regulations and/or the Motor Vehicle Carrier Law in respect of failure to file

evidence of insurance and such list is attached as Exhibit A to ORS's Petition. According to the Program Manager of ORS's Transportation Department, he examined the business records of the motor carriers in question and filed an attestation (Exhibit B to ORS Petition) to the motor carriers not in compliance with the requirement of maintaining and filing proof of the proper insurance. The ORS states that it notified the companies, via certified mail, of their failure to file the required proof of insurance and that the companies remain in noncompliance.

ORS requests that the Commission schedule and conduct a formal hearing concerning failure of the motor carriers listed in Exhibit A of the Petition to file the necessary proof of insurance forms pursuant to 26 S.C. Regs. 103-175 and to suspend the effectiveness of the Certificates of said motor carriers pending the hearing.

The Commission finds it necessary to hold a hearing to address the Certificate holders that have not filed the required proof of insurance (Exhibit A of ORS Petition). (See attached Exhibit A) We believe that the request to suspend the effectiveness of the Certificates pending the hearing should be denied.

IT IS THEREFORE ORDERED:

1. A formal hearing shall be held before the Commission on **August 10, 2005, at 2:30 p.m.** in the Commission's offices at 101 Executive Center Drive, Columbia, South Carolina to address disputed issues of fact and law and whether or not the Certificates of Certificate holders listed in Exhibit A of the Petition should be revoked. The request to suspend the effectiveness of the Certificates pending the hearing is denied.
